

Key Benefits

We focus on companies with **stable, strong** cash flow generative businesses

130/30 Strategy allows the fund to overweight the **managers' favourite** dividend paying businesses and short inappropriately valued or uncompetitive businesses

Invests in all types of yield products for **best risk/reward**

Dividends have contributed the lion's share of the S&P TSX and S&P 500 total returns **over long periods of time**

High yield equities with low payout ratios have generated **significant performance** versus low or no yield equities

Managed by an **experienced, award-winning** management team

The Kipling Funds are only available for sale to investors who meet the definition of "accredited investor" or who are purchasing under the "Offering Memorandum" exemption, in either case as set forth in National Instrument 45-106 Prospectus and Registration Exemptions, or non-individuals who will be investing a minimum of \$150,000. Please contact us or consult the offering documents to determine your qualification status.

Investors should take note that certain statements in this report about a fund or strategy, including expected future performance, are forward-looking. Statements that look forward in time or include anything other than historical information are subject to risks and uncertainties, and actual results, actions or events could differ materially from those set forth in the forward-looking statements. Although the forward-looking statements contained herein are based upon what the portfolio manager believes are reasonable assumptions, the portfolio manager cannot assure that actual results will be consistent with these forward-looking statements.
